## Flawless Finish

(Soft Focus Finishing Powder)

Formula # 33-80-5, Date: 4/27/10

WHAT IS IT?	Pressed mineral powder that creates a translucent, flawless smooth finish.
HOW DO YOU USE IT?	Apply a liberal amount onto a brush or puff applicator and gently roll onto face.
WHO SHOULD USE IT?	Anyone looking to finish with a pressed powder that has great feel and wear to the skin.
WHAT DOES IT DO?	<b>ROSE TALC</b> provides a silky, smooth feel with excellent transparency. <b>CHIFFONSIL P-3R</b> has a smooth application and produces soft feeling of moisturization. <b>RELIEF COLOR BEIGE</b> provides a color flop effect. Color changes depending on the angle from silver to beige. This gives the appearance of a firmer, slimmer face with a natural-looking finish. <b>BLUE TOCOL BILBERRY SEED OIL</b> gives skin moisturization with anti-aging and anti-UV free radical scavenging properties. <b>PUFABEL ECHIUUM OIL</b> decreases transepidermal water loss, skin redness and reduces skin sensitivity.
